REMARKS

The present response is intended to be fully responsive to all points of rejection raised by the instant Office Action, and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application is respectfully requested.

Status of Claims

Claims 1, 3 – 13, and 15 - 25 are pending in the application and are rejected.

CLAIM REJECTIONS

35 U.S.C. § 102 Rejections

Claims 1, 3 – 13, and 15 - 25 have been rejected under 35 U.S.C. §102(a) as being anticipated by "GetRight 4.1 Help Guide" (hereinafter "GetRight").

Applicant respectfully traverses the rejection of claims 1, 3 – 13, and 15 – 25 on the grounds that no evidence has been provided demonstrating the validity of GetRight as prior art under 35 U.S.C. §102(a). No publication date appears anywhere within the GetRight document, nor is any statement or other showing provided evidencing its publication date.

Notwithstanding the apparent invalidity of GetRight as prior art under 35 U.S.C. §102(a), Applicant submits herewith a Declaration under 37 CFR 1.131 to overcome the rejection under 35 U.S.C. §102(a), including evidence showing that Applicant reduced the claimed invention to practice prior to the purported publication date of GetRight.

Applicant therefore requests that the rejection of claims 1, 3 – 13, and 15 – 25 under 35 U.S.C. §102(a) be withdrawn.

Conclusion

Applicant respectfully submits that consideration of the above remarks renders the present application in condition for allowance, which action Applicant respectfully solicits.

No fees are believed due. However, the United States Patent and Trademark Office is hereby authorized to charge Deposit Account 501380 in any amount necessary in connection with the filing of this response.

Favorable action on this response is courteously solicited.

Respectfully submitted,

Daniel J. Swirsky
